

The American Rope Horse Futurity Association would like to thank our Sponsors, Contestants, Exhibitors and everyone involved in making our past events a success. Without caring supporters like you these events would not have been possible. The overwhelming interest and support has truly shown us that the Rope Horse industry has been waiting for an event such as this. We will continue promoting the sport and give added visibility to the industry for many years to come.

We are pleased to let you know that the ARHFA will be hosting four events in 2018 that is up 3 events from 2017. The first event was held in AZ in March, the 2nd event is May 5th in Inola, Ok it runs concurrent with the Oil Can Classic, the 3rd event is our Limited Event on June 23rd in Lincoln, Nebraska at the Lancaster Arena, and the final event is our daddy of them all the Rope Horse Futurity Championship held Oct. 18-19 during the NRCHA Snaffle Bit Futurity in Fort Worth, TX. The Championship event will have \$100,000 added plus prizes, and possibly a Non Pro division will be added, stay tuned for more information on this. The Championship event is open to 4, 5 and 6 year old horses. There will be incentives for those exhibitors holding a number 6 and lower heading or number 7 or lower heeling USTRC card. For entry forms please visit our website at www.ropehorsefuturity.com or contact Jay Wadhams at (719) 214-2528 or email us at jay.lindsaywadhams@gmail.com. All information is on the website & Facebook for all events.

We are currently seeking sponsors for our World Championship Event. The October event will have a total of \$110,000 added with the main event the Open Futurity having &100,000 and the Non Pro event having \$10,000! We also offer and limited open division side pot and a 4 year old incentive side pot at this event. Our World Championship show paid out over \$292,000 in 2017 and we look to paying out nearly \$400,000 in 2018. This event is rapidly growing and we are so excited about the future of the association, and the rope horse industry.

We appreciate any sponsorship you are willing to give the association to show your support for the rope horse industry. Included in this letter are sponsorship packages and a Request Form if you wish to support our rope horse events.

Sincerely,

Jay Wadhams and the ARHFA

Jay Wadhams (American Rope Horse Futurity Association)
